

TORO RIDE ON MOWERS

100
YEARS

TORO.

Count on it.

Designed for Homeowners

Toro has a wide portfolio of ride on mower options for any size garden, large or small. The Toro range has many patented technologies and features, designed to make our mowers noticeably more comfortable and easy to use, whilst delivering the excellent standards of finish you expect from a quality mower.

Toro ride on mowers are engineered to efficiently handle extreme conditions and challenging terrain, without sacrificing cut quality or your comfort. Their unmatched maneuverability for cutting around trees and landscaping, power and durability, all contribute to produce long-lasting performance.

Which one is right for you?

Whether it's for dependable performance, maneuverability or heavy-duty applications, Toro has a mower that's right for you.

Lawn Tractor XLS

BEST FOR:

Durable and dependable performance and ease of use operation.

TimeCutter® Series

BEST FOR:

Maneuverability and time saving.

Titan® MX Series

BEST FOR:

Heavy-duty applications where terrain is more rugged.

Lawn Tractor XLS

The Ultimate in Power and Performance

Toro XLS Lawn Tractors are side discharge tractors that combine power, performance and value. Combining modern styling and precision engineering, the robust XLS tractor series is designed to appeal to customers with large lawns to maintain. The automatic transmission is intuitive to use and transitions seamlessly between forward and reverse. The solid construction, including a cast-iron front axle, will provide dependable service for years.

Model No	XLS 380 (71254)	XLS 420T (71255)
Engine	452 cc Toro® OHV Single Cylinder	603 cc Kawasaki® V-Twin FR541V
Cutting Width	38" (96.5 cm)	42" (106.7 cm)
Deck Material	Steel	Steel
Ground Speed	0 - 8.6 km/h - forward, 0 - 1.5 km/h - reverse	0 - 8.6 km/h - forward, 0 - 1.5 km/h - reverse

IDEAL FOR 1 ACRE

KEY FEATURES

KeyChoice™
Toro's KeyChoice™ reverse operation system improves safety during operation in reverse without diminishing performance.

Floating Deck
Floating centrally mounted steel cutting deck offers superb contour following.

Tight Turn Radius
A tight 50.8 cm turning radius allows close trimming around trees or other obstacles in the yard.

Washout Port
Easily clean grass and debris from under the deck. Attach a garden hose and turn on the water supply.

Robust Design
Stress-resistant channel steel frame, tough durable cast-iron front axle provides durability for years to come.

Toro® Premium OHV Engine

Built to maximum performance. The overhead valve (OHV) design makes it more efficient and burns cleaner than side-valve engines. Special governor design delivers fast power when put under load (on model 71254).

Count on it.

TimeCutter® Series

Make the Smart Choice

With the TimeCutter® series you can now spend more time enjoying your lawn and less time mowing it. A lot less time. The Toro TimeCutter® is so maneuverable, it can cut your mowing time in half. And with the addition of the Smart Speed™ control system, TimeCutter® mowers are an even smarter choice.

Smart Speed™ Control System

Toro's exclusive Smart Speed™ control system takes the time-saving speed and agility of a zero-turn mower and adds greater control. This exclusive Toro innovation lets you choose different ground speed ranges with the flip of a lever without changing the blade or engine speeds. You can mow large, open areas with the high speed range to finish quickly, or easily flip to the low speed range for controlled maneuvering around trees, gardens and landscaping.

Zero-Turn Technology and Save Time

For more than 25 years, Toro has been manufacturing zero-turn mowers that deliver an outstanding quality of cut along with the time savings of zero-turn technology. Just as Toro is the choice of professional landscapers, Toro TimeCutter® mowers are the smart choice for you. You'll mow like a pro and you'll do it all in a lot less time.

TimeCutter® Series

Continued

42" (106.7 cm) and 50" (127 cm) Toro TimeCutter® ZS Mowers with Fabricated Decks - Rugged and Reliable

From the dual hydrostatic drive system and the heavy-duty 10 gauge fabricated cutting deck with bull-nose bumper to the powerful Kawasaki® twin-cylinder engines, Toro TimeCutter® ZS mowers with fabricated decks are built tough for dependable and long-lasting performance.

KEY FEATURES

Automatic Parking Brake

Automatically engages when the control arms are moved outward. Eliminates the need for a separate parking brake, making operation easy.

Powerful Engines

Powerful Toro®, Kohler® and Kawasaki® engines provide smooth, quiet and optimal power.

Comfortable Seats

15" (38.1 cm) mid back or 18" (45.7 cm) high back seats provide ample back support for a smooth, comfortable ride.

Deep 10.2 cm Steel Deck and 10.8 cm Fabricated Deck

Provides superior cutting performance in all conditions.

11.4 Litre Fuel Tank with Sight Gauge

Higher capacity fuel tank lets you mow longer and the convenient sight gauge provides a quick view of the fuel level. The large petrol cap makes filling up easy.

Dual Hydrostatic Drive System

Provides independent power to each wheel for maximum traction and maneuverability.

Heavy-duty 10 Gauge Frame

Provides increased strength, durability and reliability.

Toro Recycling System

The Toro Recycler mulching system creates your own natural fertilizer. This patented system cuts grass clippings 6-8 times turning them into a fine nutrient-rich mulch to feed your lawn all season. The secret lies in the unique 'kickers' and baffles that direct clippings back into the blades to be re-cut before being released into your lawn.

Titan® MX Series

Ready for the Toughest Demands

The TITAN® MX combines pro-inspired features from our popular commercial line with the user-friendly features of our residential zero-turn mowers to create a commercial-like machine that's easy to use and comfortable to operate. The TITAN® MX gives you pro-like performance with Kawasaki engines, large wide tyres and heavy-duty decks and frame for taking on the toughest challenges. And if your neighbours think you hired a professional, well, just smile and show them your rugged, powerful TITAN® MX.

Model No	74871	74872	74873

KEY FEATURES

Pro-Inspired

The TITAN® MX leverages professional features similar to those found on our commercial zero-turn mowers to change your experience of mowing forever. Each component adds to the strength and durability of the machine, providing long-lasting, superior performance.

Smooth Front Tyres and Large Rear Tyres

30.5 cm x 15.2 cm smooth front tyres reduce turf wear and improve maneuverability. The 56 cm x 25.4 cm large, wide rear tyres provide a smoother ride over rough terrain than smaller diameter tyres.

Fully-Tubular Frame

3.8 cm x 7.6 cm fully-tubular frame offers superior strength and durability.

Heavy-Duty Deck Spindles

Huge 19.7 cm diameter aluminium spindle housings contain 2.5 cm diameter spindle shafts.

Roll Over Protection System (ROPS)

Folding Roll Over Protection System (ROPS) comes standard. The folding design folds easily with the help of quick-release pins. It tucks under the frame for compact storage or when mowing under low obstacles on flat ground.

Fabricated Decks Up to 152.4 cm Wide

Fabricated, fully-welded decks with bull-nose bumpers handle tough cutting conditions and deliver a superior quality of cut.

User-Friendly Residential Expertise

Our zero-turn mowers are all about saving time, ease-of-use and low maintenance. These user-friendly and comfort-focused features are built into every TITAN® MX, making it the best mower for the biggest yards.

Premium Seat with 3-D Isolation

Toro premium seat with 3-D isolation mounts to absorb vibration.

Effortless Maintenance

Quick, no-tools deck removal allows easy access to deck for maintenance.

Removable Floor Pan

Allows easy access to the top of the deck for cleaning off grass clippings.

Foot-Operated Height-of-Cut

Quickly raise or lower the deck while keeping hands on the controls.

Commercial Grade Transmissions

Heavy-duty ZT3100 transmissions are used with charge pumps, shock valves and heavy-duty gears.

Count on it.

Customise Your Mower with Genuine Toro Attachments and Accessories

ATTACHMENTS AND ACCESSORIES

Tow-Behind Dump Cart

Transporting material is easy with this heavy-duty poly bed large dump cart.

Bimini Folding Sunshade

Optional fabric shade for 2-post ROPS shields the operator from the elements.

Recycler® Mulch Kit

Optional recycler kit cuts and re-cuts clippings into fine particles and redirects them back into the turf for a healthy looking lawn.

Anti-Vibration Floor Mat

This newly designed rubber floor mat is a great addition to your TimeCutter®/Titan® MX mower. Reduce vibration and dampens deck noise during mowing.

Twin Bagger

Attaches easily and is great for cleaning up grass clippings and leaves.

Hour Meter

Keep your mower in peak condition by adding an hourmeter for determining service maintenance.

Product Cover

Protect your investment with a water, abrasion and tear resistant cover.

Foot Assist Height of Cut System

Allows you to quickly and easily raise the mowing deck while mowing to avoid scalping and can also be used to lift the mowing deck while changing height of cut positions.

Heavy-Duty Rear Engine Guard

This heavy-duty steel guard protects the engine from branches and debris as you nimbly maneuver around your lawn (for TimeCutter SS models).

Bumper Guard Kit

The cast iron front bumper guard kit provides extended life and durability (available for Lawn Tractor XLS models only).

Light Kit

Gives you the option to mow your grass in low light conditions.

Armrest Kit

Adjustable armrests improve operator productivity by reducing fatigue.

Hitch Kit

The hitch kit is easily attached, which allows you to increase the functionality of your mower by allowing you to pull light duty attachments.

E-Z VAC Powered Bagger

Provides extra vacuum power to bag even wet grass and leaves. The blower reduces clogging and maximises bag filling.

(fits Titan & Titan MX model years 2010 & newer)

Cargo Carrier

Perfect for light duty hauling capabilities for mulch, soil, garden tools and other items for working in the yard. No “jack knifing” and it’s easy to store.

(fits TimeCutter model years 2011 & newer. Fits Titan model years 2009 & newer.)

Warranty

Building the best machines in the industry allows us to back them with the best warranty in the industry. Ask your dealer to learn about our warranty coverage.

- 2 year Limited Warranty on Lawn Tractor XLS mowers
- 3 year Limited Warranty on TimeCutter® ZS and SS mowers
- 3 year or 400 hours^ Limited Warranty on Titan® MX mowers and a limited lifetime frame warranty^^

^Whichever occurs first.

^^Original owner only. Lifetime Frame Warranty — If the main frame, consisting of the parts welded together to form the tractor structure that other components such as the engine are secured to, cracks or breaks in normal use, it will be repaired or replaced under warranty at no cost for parts and labor. Frame failure due to misuse or abuse and failure or repair required due to rust or corrosion are not covered.

Finance

Purchasing Toro products is easy and affordable with special Toro sponsored finance promotions available through your participating certified Toro independent dealer.
