

WALK POWER MOWERS

POWER WITHOUT COMPROMISE

**Charged Up**  
Cut up to 1300m² with full battery.

**Built for Tough Conditions**  
Made to last, the steel deck provides durability that plastic can't match.

**Ready to Work**  
The 60 volt battery has intelligent battery software to maximise run time and power.

**SmartStow®** Reduces the storage footprint by up to 70%^, and provides easy access to clean under the deck and service the blade.

**Finish everything.**  
**Sacrifice nothing.**

The most powerful 60v battery meets a full line of unbeatable tools.

## COVER MORE GROUND

**Commercial Quality**  
Precisely timed, twin-blade cutting system powered by a commercial-grade 179 cc Kawasaki engine.

**Productivity**  
3.8 litre long range fuel tank and simple two-bail control system.

**Effective on Hilly Terrain**  
The upgraded transmission has a new disc brake assembly, a belt tensioner built-in and a fan on top to help disperse heat. This transmission provides much higher drive force to the rear wheels.

## DELIVERS ON PERFORMANCE

**Hard Working**  
Powered by a strong reliable Kawasaki® commercial grade engine.

**Inbuilt Efficiency**  
This mower features a unique, tapered deck design with a generous discharge tunnel that promotes superior air flow and maximum suction.

**Recycler® Cutting System**  
This patented cutting system cuts and recuts grass clippings into fine mulch and directs them deep into the turf to provide a "just bagged" appearance.
