

60V MAX* LITHIUM-ION FLEX-FORCE POWER SYSTEM®

Battery Powered Handheld Equipment

LEGENDARY TORO PERFORMANCE, NOW BATTERY POWERED

Choose Toro with confidence to save time, eliminate hassles and have a great looking garden. Introducing the 60V Max* Lithium-Ion Flex-Force Power System®, where you don't have to sacrifice performance to enjoy the ease of battery power. Toro's legendary reliability, durability and performance. Finally, a cordless platform without compromises.

Leaf Blower

Take charge of garden clean-up with the 60V Max* Battery Leaf Blower. Control is at your fingertips with the variable speed trigger, turbo-boost button, and cruise control.

This blower is so easy to use that it will turn into an all-season tool - helping you clear clippings after mowing, debris left in your driveway after the latest storm, and dust from your garage. Impressive 17 m³/min of air volume and 185 km/h air speed**

String Trimmer

Adjust this trimmer for any job with the variable speed trigger or adjust line size and/or cutting width - no spools required! Thick grass or large gardens are no problem for this efficient high-performance string trimmer. This hand tool will give you the run times needed to get your weekly trimming done. When you have heavy trimming to do, equip your tool with a bigger line, adjust the cutting width and you are ready to tackle heavy grass conditions.

From the heavy duty cast aluminium direct-drive head and increased motor torque. You get the cutting performance of a petrol engine trimmer with the comfort of a low noise, no emission battery tool.

41 cm Chainsaw

More power, more runtime, and longer life. Digitally-controlled to automatically provide more power when you need it. Just push the button, and pull the trigger. Pro-style chain tensioning with on-board tool storage and an automatic chain oiler. Cut through a medium sized timber up to 50 times^ on a single charge.

61 cm Hedge Trimmer

Tackle big jobs in no time. Cut your long lawn story short with this time-saving Toro 60V Max* battery hedge trimmer. It can tackle big jobs in no time with a 61 cm bar and 1.9 cm cut capacity and a useful 90° rotating handle for easy vertical and horizontal trimming. With up to 75 minutes of run time, robust dual-action cutting system and comfort-grip handle for reduced vibration and hardened steel blades for a sharp cut and added durability, you'll make short work of the big jobs.
