

The TORO logo is displayed in white, bold, sans-serif capital letters inside a red rounded rectangular background.The REVOLUTION logo features the word "REVOLUTION" in a white, sans-serif font. The letter "V" is stylized with a blue and white graphic element that resembles a leaf or a flame.A professional worker in a red shirt and grey cap is seen from behind, carrying a large black Toro Revolution backpack. He is holding a long-handled trimmer tool. In the background, other workers are visible near a modern building with large windows and a blue wall. The scene is set outdoors with green grass and trees.

POWER FOR EVERY PROFESSIONAL

Revolution professional handheld products run on our 60V MAX* Flex Force Power System[™] and work with our entire line of Revolution commercial grade handheld tools. The backpack, available as a power source for our leaf blower, string, and hedge trimmers, is built for comfort and ready to keep jobs moving all day. It has the capacity for you to swap batteries, so when one battery is done, you're not. Our 60V power comes to you fast: just 50 minutes to charge our largest battery to 100% and easily outpacing the charging speed of larger, lower voltage batteries.
