

Winged™ - Single Piece **Spray Jet**

Economical fan spray jet for effective watering.

Applications

Suitable for home and landscaped gardens and horticultural applications.

Features

- Winged base with 4mm "Quick" thread for rapid and easy installation.
- No tools required.
- Choice of three spray patterns 360°, 180°, 90°.
- Four colour coded flow rates.
- Constructed from acetal

Micro Spray Jets

Two piece jets with precise watering patterns. Achieve effective performance at low pressure (100 kPa).

Applications

Wide range including home gardens, landscaped gardens, horticultural and viticultural crops.

Features

- Five optional spray patterns.
- Winged base for easy hand installation.
- No separate tools required.
- Colour coded bases for flow rate identification.
- Caps feature a snap ring which firmly engages the base.
- Cap and base constructed from acetal
