

Butterfly Valves

Applications

- Isolation of larger diameter valve hurdles
- Pipeline Isolation
- Pump Station Headworks

Features

- Pressure rating: 1035 kPa
- Construction Material:
Stem: Stainless Steel, Grade 304
Disc : Stainless Steel, Grade 304
Seat : EPDM
Body: Epoxy coated, Cast Iron
- Wafer style
- Lever Handle

Ordering Information

Code	Description
101BFV80	80 mm Wafer style Butterfly Valve
101BFV100	100 mm Wafer style Butterfly Valve
101BFV150	150 mm Wafer style Butterfly Valve
101BFV200	200 mm Wafer style Butterfly Valve

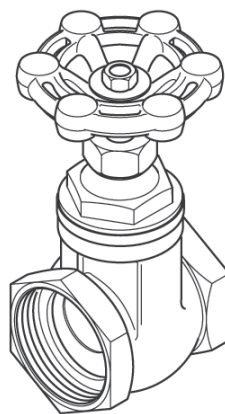

Brass Gate Valves

Applications

- Isolation of Valve hurdles
- End of Line Flushing

Features

- Pressure rating: 1035 kPa
- Construction Material: Brass
- BSPF threads
- Non-rising stem
