

TORO

Count on it.

**INFINITY™ Series
with SMART ACCESS™**

NEW

One sprinkler. Countless benefits. Infinite possibilities.

The New Toro® INFINITY™ Series Sprinklers are designed with your course's future in mind. A patented SMART ACCESS™ design enables you to add new technology for decades to come – using only a screwdriver.

INFINITY™ SERIES with SMART ACCESS™

INTRODUCING TORO® INFINITY™ SERIES GOLF SPRINKLERS

Golf sprinklers with all the efficiency and proven performance features and benefits of the 800S and DT Series and more. Countless Benefits. Infinite Possibilities.

The opportunities are limitless with the new Toro INFINITY Series golf sprinkler. From immediate convenience, compatibility and labor savings to extra capacity for future technologies, INFINITY keeps you ahead of the game for decades to come.

GDC 2-wire module accessible from the top

Wire splices protected in the SMART ACCESS compartment and accessible from the top

Pilot valve accessible from the top without shutting off water source

The patented INFINITY Series sprinklers are designed to save you time and with your course's future in mind. Whether you choose a Toro Satellite or 2-wire control system the patented SMART ACCESS™ design enables you to add new technology for decades to come. You won't need to invest in new sprinklers as technology advances, because the INFINITY Series are built for flexible expansion, not replacement, to keep your course looking its best and your golfers playing.

TOP LINE THINKING

The new INFINITY™ Series changes everything for the better: course quality, workload and most important, it keeps players playing. Calculate the money you'll save by cutting sprinkler maintenance from hours to minutes. And just think about how much better your course will look when you replace shovels with screwdrivers. No holes or piles of dirt to draw unwanted attention from players or the Greens Committee.

BOTTOM LINE THINKING

The new INFINITY™ Series provides all the efficiency and proven performance features and benefits of the 800S and DT Series, without increasing the overall size of the sprinklers. With SMART ACCESS™ you can access all sprinkler components from the top. Adding new capabilities is just as easy, making the future a welcome change.

REAL WORLD THINKING

The benefits to course maintenance and quality are countless, but it's the professional benefits that really make the INFINITY™ Series the smart choice. The latest innovation from TORO, INFINITY let's you truly manage your work crews, budgets and course improvements now and in the future. That not only helps you keep your course looking and playing its best, it makes you look pretty good, too.

Customizable with golf course logo and/or yardage marker

INFINITY.
Engineered for Today's Challenges.
Designed for Tomorrow's Technologies.

SMART ACCESS
Provides top accessibility to all critical components.

Future-proof your investment. The SMART ACCESS compartment provides room to grow.

Trajectory adjustment

INFINITY SERIES models are available in 24-position Tru-jectory or Dual trajectory to help fight the wind, avoid obstacles or to reduce the radius.

Ratcheting riser

Align part circle quickly and easily or adjust watering locations to suit seasonal needs. Standard on all INFINITY™ part circle models.

Industry's largest high performance nozzle selection

From 6,0 m to 30,5 m (20' to 100') we've got you covered! Only Toro provides the flexibility to optimise your system for maximum uniformity.

Part and full circle models in one

Align part circle quickly and easily or adjust watering locations to suit seasonal needs. Standard on all INFINITY™ part circle models.

Nozzle base clutching

Hot spot watering has never been easier, simply turn, hold and shoot to put down as much water as needed.

The challenge today isn't simply to maintain a beautiful golf course. It's to maintain it on a budget. To succeed, you need to work smarter, more efficiently and more economically than ever before. That's why Toro Irrigation products are engineered to give you not only great results, but also the lowest cost of ownership over time. With Toro, profit and beauty don't have to be opposites.
